We hope to have the pleasure of welcoming SYAM KUMAR to one or more of these events as the Indian representative.

For each event, travel and accommodation expenses are the responsibility of the participants.

For the World Series, registration fees and competition flights are free.

For the World Cup, registration fees and competition flights cost €200 per person.

Training flights (optional) are also at the participants' expense. For SYAM, we estimate that a minimum of one hour of training flight time is necessary in order to be able to perform the IPS race.

Made to assert what is rightfully due,

**Jérôme DAVID**
